SIGNIFICANCE

9. ARCHITECTURAL-HISTORICAL
 39 Gamma Avenue is an example of the type of houses found around the Quonnipaug and West Lakes areas of North Guilford. The houses date from 1900 to the present, and most are small vacation houses. Originally a collection of summer resort cottages, the majority now are used year round since even remote areas are easily accessible by automobile on a large network of paved roads.
 39 Gamma Avenue was built around 1932 by Patrick and Dora Collins. Gamma Avenue is in the West Lake Area which was platted around 1930
