SIGNIFICANCE

9. **ARCHITECTURAL-HISTORICAL**
 A particularly fine Greek Revival doorway with considerable relief highlights this house. A pedimented gable with a broad rectangular gable window are other features of this house. A large two-story porch added in the 1940s is now the dominant feature of the house. This house is down the hill to the north of Meeting House Hill in North Guilford.
 Victor Fowler's ownership of land across the road and this house are noted on the 1852 Map. The date of its construction is a matter of controversy. It is believed to have been built by the same person who constructed the house at 134 Great Hill Road.
