CONTINUATION SHEET

473 Long Hill Rd

Interrelationship of building and surroundings

Surrounding the property are nineteenth and twentieth century single-family dwellings.

Other notable features of building or site

Second story fenestration consists of three symmetrically-spaced double-hung windows, all six-over-six. A single story gable-roof addition extends off the north elevation, including a sixteen-pane window on the facade. A large masonry chimney extends up the north wall of this addition. A series of additions extend off the north and east elevations of the main structure.
