## **HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES**

## **CONTINUATION SHEET**

83 Moose Hill Road

## **Notable Features Continued**

Two more of the same windows are on the first floor with a door entry on the south side of the façade. A hip roof porch wraps around to the south side elevation. It has a kneeboard with the same yellow clapboards and a wooden stoop with seven steps. The porch extends down below the foundation, adding a small half story to the bottom. A four pane fixed window is located next to the stoop.
