# **HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES**

## **CONTINUATION SHEET**

## **605 Nut Plains Road**

## **Notable Features Continued**

The door surround is typical of Georgian style houses with pilasters, a full entablature and pediment crown. The roof had been a saltbox style up until probably the early twentieth century but was partially removed on the northeast elevation (rear) and a front gable roof was constructed on an extend rear wing.
