77 Nut Plains Road

Notable Features Continued

All windows have dark blue rectangular planters underneath them. A large stoop made of stone is built up from the ground to the second story level where the front door entry is, on the north side of the façade. A door surround with pilasters and full entablature crown frame a dark blue paneled door. A metal railing is on both side of the stoop at the door. A large wood deck extends off the north side elevation and can be seen from the façade.
