## HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

#### **CONTINUATION SHEET**

36 Old Quarry Road

## **Buildings and Surroundings**

A white fence encloses a large portion of the front yard and connects to the side porch.

#### **Notable Features**

The roof is covered with architectural shingles and there are three chimneys, one on the ridgeline of the main part of the house and two on the north and south side of the ridgeline of the center wing. The north side of house has an enclosed porch wing with a one over one hung sash window on the front façade. In 2001, an open porch was added to the north side of the rear near the parking area. The façade has an arched one over one single hung sash window near the roof peak. Three two over two hung sash windows are equally spaced apart on the second floor level. The first floor has a door on the north side with two windows next to it, both two over two hung sash, and all three lined up with the windows above. A stone stoop with white railings leads up to the front door.

## **Historical Significance**

Larkins, his wife Hester, and two daughters lived in this home and Larkins and his wife stayed into the mid twentieth century.
