CONTINUATION SHEET

311 Old Whitfield Street

Buildings and Surroundings Continued

A driveway extends past the northwest side of the house and ends at a white two car garage with a white shed located behind that.

Notable Features Continued

Two more of the same windows are on the first floor with a screen door entry on the southern side of the façade. A small wooden deck leads up to the front door. The side gable section off the south side of the front gable section has two of the same windows on the second floor and one on the first. A small shed roofed porch entry is inset in the ell of the cross gable with a stone stoop with railings leading up to another door underneath.
