51 Pearl Street

Notable Features Continued

Directly below are two more of the same windows and a front door entry on the south side of the front façade. The door has a heavy crowned surround with a recessed red door. The door has four panels and an elliptical window at the top. A concrete stoop with two railings leads up to the door. One two over one hung sash window is visible at the second floor level of the hipped roof cross gable. A one over one window is directly below it. A wooden deck, side door entry, and enclosed staircase are attached to the north side hipped cross gable.
