HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

CONTINUATION SHEET

40 State Street

Notable Features Continued

A sidewalk leads up to four stone steps and a blue door on the next bay. On the third bay there is a pair of single hung sash windows with a transom on top. In 2014, a shed dormer with two windows was added onto the front gable.

Historical/Architectural Significance Continued

The brothers' stonework is recognizable by use of whole round stones and diamond shaped inserts. In addition to houses, they built several porches and chimneys around town.
