HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

CONTINUATION SHEET

54 State Street

Notable Features

Two two over two hung sash windows are located on the second floor of the front gable. Two of the same windows are located on the first floor underneath a wrap around porch that extends to the south side elevation. The porch has yellow scallop shingled knee wall that is connected to white supports with ornate brackets. The door entry is on the south side elevation under the hip roof porch. A bay window also juts out of the cross gable wing on the south side elevation just past the end of the porch.
