HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

CONTINUATION SHEET

82 State Street

Notable Features

Three six over six hung sash windows are located on both the first and second floor of the front façade. A small wing is attached to the south elevation, set back one bay, with a hipped roof. The door entry is located at the front of the wing on the south side elevation. An overhang with decorative supports and brackets covers the entryway at the top of a small stoop.
