HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

CONTINUATION SHEET

67 Union Street

Notable Features

All of them have the same color trim except for the dark green entablature above them. The door surround, with two pilasters on both sides and large entablature, are dark green as well. A stone stoop leads up to the entry with a wooden railing on both sides. The rear, or west side elevation, with the salt box style roof is an addition, added after 1951.
