## **HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES**

## **CONTINUATION SHEET**

244 Water Street

## **Notable Features**

There is a six over six hung sash window located in the center of the second story. Directly underneath is a pair of long, thin, four over four hung sash windows. Moving back towards the cross gable, there is a small flat roofed enclosed section inset in the "L" with three six over six hung sash windows around it. A two story bay window, with four windows on each level, is located on the cross gable, facing south.
