HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

CONTINUATION SHEET

173 Whitfield Street

Notable Features Continued

A fixed rectangular window is located near the wide trim at the peak of the roof while three one over one hung sash windows are on the second level under the cornice return, and two on the first next to the front entry. The front entry is located on the south side of the front elevation. It is located underneath a gable roof attached with decorative brackets with a small white railing on either side.
