## HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

**CONTINUATION SHEET** 

**174 Whitfield Street** 

## **Notable Features Continued**

There are three six over six hung sash windows on the second floor level and two on the bottom floor, on the southern side of the elevation, all having white shutters. The front entry is on the northern side of the façade with a gable roof over it attached by decorative brackets. A stone stoop with four stairs and metal railings leads up to the front entry door.
