## **CONTINUATION SHEET**

## **413 Whitfield Street**

Four more of the same windows are on the first floor façade, two on a one story east wing and two on the main mass of the building. In between is a front door entry, with a pediment roof and two porch supports. The west side elevation has a two story cross gable wing with a hip roof. On the first floor of the wing is a bay window with three six over six hung sash windows.
