HISTORIC RESOURCE INVENTORY – BUILDINGS AND STRUCTURES

CONTINUATION SHEET

496 Whitfield Street

Building and surroundings

There is a separate garage located to the north with a fence partially around it. A small area for parking is also there, with an entrance off of Seaview Terrace.

Notable Features

The entry door sits in between, with a simple entablature door surround. A wood deck with stairs leads up to the front entry. A small wing extends off the west side of the house.

Historical/Architectural Significance

The next owner was Elizabeth O'Connell, widow of James F., in 1963 followed by Andrew and Linda L. Staba in 1978, Susan Capasso in 1981, and back to Joseph and Frank Dolan in 1990, not under their business name. The present owner is Peggy Wilson via Faulkners View LLC. She is the daughter of the late Frank Dolan. Based on the interview information from the Dolans and the appearance of the house in the 1951 aerial photographs but not in the 1934 ones, the assessor date is close to correct.
